In re Patent Application of:

FLICK

Serial No. 10/043,077

Filing Date: JANUARY 9, 2002

REMARKS

By this supplemental response, the Examiner's rejection of the claims under the judicially created doctrine of double patenting with respect to U.S. Patent No. 6,140,939 is overcome by the submission of the attached Terminal Disclaimer. Applicant believes that this application is now in a condition for allowance, and passage to issue is therefore respectfully requested.

Respectfully submitted,

CHRISTOPHER F. REGAN

Reg. No. 34,906
